Planning Guide

The following pages are a guide to help you in planning for this year's 2010 Pow Wow. Most assignments contained herein are to be completed by each Outpost prior to coming to Pow Wow. This year's "Pow Wow Project" will not only be judged for its construction and creativity, but you will also be able to garner points by utilizing the project in the "Race of the Rogues". Please read through this Planning Guide carefully, as there are a number of projects and assignments to help you plan for a great Pow Wow experience. Remember, these assignments and projects count in the overall score for "Top Outpost at Pow Wow", so don't leave anything out...it could make the difference for your boys! Once again, "Gold Pieces of Eight" will be given for most events and projects. Each Outpost will be judged on their projects, and given "Gold Pieces of Eight" for scoring during the weekend. Each item or assignment will be judged on its originality, craftsmanship and/or degree of difficulty in creation. Remember, completion of *all* assignments is required to receive the maximum number of "Gold Pieces of Eight"

(points).
